

## When driving:

- Watch for people walking, day or night

## When walking:

- Look and continue to look for vehicles when crossing the road

## When driving:

- Stop for people crossing the road

## When walking:

- Be alert, and look for vehicles in all lanes of traffic before crossing the road

## When driving:

- Expect to see people walking everywhere

## When walking:

- Look and continue to look for vehicles when crossing the road

Let's  
Move Safely  
Together

### When driving:

- Slow down, slower speeds save lives

### When walking:

- Walk facing traffic where there are no sidewalks

## When driving:

- Look in all directions before turning

## When walking:

- Cross in well-lit areas when possible

## When driving:

- Check for people crossing the road before passing stopped vehicles

## When walking:

- Be alert, and look for vehicles in all lanes of traffic before crossing the road

Stop for people crossing the road.
